# Welcome!

WELCOME TO OUR 16TH ANNUAL SPRING RECITAL AND OUR RETURN TO THE BEAUTIFUL LANDMARK THEATER! WHAT BEGAN AS A DREAM HAS GROWN INTO A CHERISHED TRADITION, AND TONIGHT WE INVITE YOU TO STEP INTO THIS YEAR'S THEME: REVERIE. A REVERIE IS A MOMENT OF WONDER—A DAYDREAM, A REFLECTION, A GLIMPSE OF POSSIBILITY. THROUGH MOVEMENT, MUSIC, AND STORYTELLING, OUR DANCERS HAVE EXPLORED IMAGINATION, EMOTION, AND THE DREAMS THAT INSPIRE US TO GROW. EACH REHEARSAL, CLASS, AND CHALLENGE HAS BEEN PART OF A JOURNEY TOWARD THE PERFORMANCES YOU WILL SEE TONIGHT.

WE ARE THRILLED TO ONCE AGAIN SHARE THIS EXPERIENCE AT THE HISTORIC LANDMARK THEATRE. ITS GRANDEUR, BEAUTY, AND SENSE OF OCCASION PROVIDE THE PERFECT SETTING FOR OUR DANCERS TO BRING THEIR ARTISTRY TO LIFE. RETURNING TO THIS STAGE FEELS LIKE COMING HOME, AND WE ARE HONORED TO CREATE NEW MEMORIES HERE TOGETHER.

TONIGHT'S PERFORMANCES REPRESENT MORE THAN TECHNIQUE AND CHOREOGRAPHY. THEY REFLECT DEDICATION, COURAGE, CREATIVITY, AND THE JOY OF DREAMING BIG. WE ARE INCREDIBLY PROUD OF THE GROWTH OUR DANCERS HAVE SHOWN THROUGHOUT THE SEASON AND THE HEART THEY BRING TO EVERY MOMENT ON STAGE.

THANK YOU FOR JOINING US AND FOR BEING AN ESSENTIAL PART OF THE TSDPAC COMMUNITY. YOUR SUPPORT, ENCOURAGEMENT, AND BELIEF IN OUR DANCERS MAKE EVENINGS LIKE THIS POSSIBLE AND HELP NURTURE THE DREAMS THAT BECOME TOMORROW'S ACCOMPLISHMENTS.

AS THE CURTAIN RISES, WE INVITE YOU TO SETTLE IN, LET YOUR IMAGINATION WANDER, AND ENJOY THIS SHARED REVERIE. MAY TONIGHT LEAVE YOU INSPIRED, MOVED, AND REMINDED OF THE BEAUTY THAT CAN BE FOUND IN EVERY DREAM.

WITH HEARTFELT GRATITUDE,

- Tiffany  
& THE TSDPAC TEAM

Ella Logani

**What are your plans after you graduate?**

*I will be attending Hobart and William Smith College's in the fall hoping to go into Occupational Therapy with a major in Psychological Science and a double minor in Public Health and Dance.*

**What is something TSDPAC has given you or taught you that you'll carry with you after graduation—outside of dance?**

*TSDPAC has given me a new perspective on perseverance. There will be hard and challenging moments, but the supportive and uplifting people at TSDPAC is what keeps me going. The encouragement from my teachers and peers has taught me how to persevere and stay true for what's right for me.*

**What is your favorite memory from TSDPAC?**

*My favorite memory from TSDPAC is the prayer circles that we share before going on stage. Holding hands and praying together always reminded me how special our bond is and made me feel grateful for everything I have here at TSDPAC. It's a special tradition we have that gives us strength before we go on stage.*

# OUR SENIORS

**What would you tell your younger self who is just starting at TSDPAC?**

*I would tell my younger self to take in every opportunity and moment. As a senior, I've realized all of the amazing experiences TSDPAC has given me, and I wish I had taken more time to truly appreciate those and enjoy them from the beginning.*

**What advice do you have for the younger students at TSDPAC?**

*Advice I would give to the younger students at TSDPAC is to remember why you started dancing in the first place. Challenging moments will be what shape you the most, both as a dancer and person. Keep pushing through those difficult times because they will make your success even more meaningful and rewarding.*

**What will you miss most about TSDPAC?**

*What I will miss most about TSDPAC is the camaraderie within all of the teams. I have built so many meaningful relationships with my team, the teachers, the younger girls, and everyone else involved in the studio. Those relationships have made my experience special and memorable. I am so lucky to be able to call these girls my best friends, and I will cherish the memories and bonds we have created.*

## Meara Roach

What are your plans after you graduate?

*Attending Onondaga Community College to study  
Health Sciences*

What is something TSDPAC has given you or taught you that you'll carry with you after graduation—outside of dance?

*TSDPAC has taught me discipline and how to stay committed even when things get stressful or challenging. They have also taught me how to work well with others on something that important. I hope to carry everything that TSDPAC has taught me in my years to come.*

What is your favorite memory from TSDPAC?

*One of my favorite memories at TSDPAC has been getting a PAC Attack with my team. We were all hoping for it before going on stage, doing our prayer circle like always, and joking about what would happen if we didn't get it and who would have to go press the button. We were all so excited and nervous before performing, but we felt comfort in each other. Most importantly though we all focused on enjoying the moment together. It showed me why I love my team so much, how close we've become and how much those shared moments truly matter.*

# OUR SENIORS

**What would you tell your younger self who is just starting at TSDPAC?**

*I would tell my younger self that don't take the time for granted. I've only done competition for 2 years and I'm so beyond lucky to have been able too. It is truly one of the best experiences and the love you feel is something you will never forget. Also I would say don't be so hard on yourself you're not going to be perfect at everything but that's why we learn to grow.*

**What advice do you have for the younger students at TSDPAC?**

*Don't take any class or day for granted, I promise you it goes by way faster than you could imagine. Also don't compare yourself to anyone else because we all work and grow at our own paces and it's important to just focus on you. But most importantly make sure you have fun and soak in every single memory!*

**What will you miss most about TSDPAC?**

*I will miss all the girls and teachers. Walking into the studio every time I had dance was such a welcoming experience all the girls would say hi, and the teachers would always ask how you were doing. I will also miss being able to work alongside some of my best friends on something we are all passionate about. Most of all, I will miss being part of something that felt like a second home.*

## Anna Eckert

**What are your plans after you graduate?**

*I will be attending the University of Vermont and majoring in Molecular Genetics!*

**What is something TSDPAC has given you or taught you that you'll carry with you after graduation—outside of dance?**

*TSPAC has taught me how to be a more confident person and trust myself more. Before I started dancing at this studio, I didn't have a lot of self confidence and often doubted myself. However after dancing with TSDPAC for 6 years now, I've learned how to trust my gut more and care less about what people think. Furthermore, TSDPAC has given me the confidence to perform a solo, which is something that I probably never would have done without the safe environment of this studio.*

**What is your favorite memory from TSDPAC?**

*My favorite memories from TSDPAC are breaking my Tap shoe in the strangest way during class this year, and the feeling of waiting in the wings with my friends before performing a routine.*

# OUR SENIORS

What would you tell your younger self who is just starting at TSDPAC?

*To my younger self: You'll start out doing Hip Hop with your best friend, and end up falling in love with Tap and Contemporary. You'll never forget the freeing feeling that a Tap or Contemporary routine will give you.*

What advice do you have for the younger students at TSDPAC?

*To the younger students at TSDPAC: Never lose your passion for dance and enjoy every moment in the studio. Time truly does fly by, and before you know it, you'll be all grown up and dancing with the studio for the final time. Even if you're exhausted and want a break, always go to class I promise you it'll be worth it!*

What will you miss most about TSDPAC?

*I will miss my teachers at TSDPAC the most. I've learned so much from all of my teachers not just about dance, but about how to be a good person. All of the staff members at this studio are so kind, compassionate, and have a visible love of dance that inspires all of the students at TSDPAC. I will forever be grateful for Miss Carlin, Miss Ashley, Miss Aria, Miss Corinne, and all of the other staff members at this studio.*

# FROM OUR DIRECTORS

*From Tiffany* 

Thank You, Thank You, Thank You!

As we gather to celebrate Reverie, we are reminded of the beauty of imagination, the power of dreams, and the extraordinary journey that unfolds when passion meets possibility. This production is the culmination of countless hours of dedication, creativity, and heart, and it would not be possible without the incredible people who make up our TSDPAC family.

First and foremost, thank you to our exceptional teachers. Your passion for dance, commitment to your students, and artistic vision are woven into every moment on this stage. The performances you'll witness today are a reflection of your talent, guidance, and unwavering dedication throughout the season. We are so grateful for the impact you make on our dancers each and every day.

A very special thank you goes to our Assistant Director, Miss Corinne. Your loyalty, leadership, and tireless dedication help turn big dreams into reality. You pour your heart into this studio, our students, and our families, and your influence can be felt in every corner of TSDPAC. I am endlessly grateful for your partnership, your friendship, and the countless ways you help our studio thrive.

To our amazing Administrative Team—Val, Ashlee, Chloe, Kristen, and Derek—thank you for the countless details you manage behind the scenes. Your organization, patience, and commitment keep everything running smoothly and allow our dancers and families to focus on what matters most. Your hard work often happens quietly, but its impact is felt every day.

To our dedicated Student Assistants, thank you for leading by example and serving as mentors to our younger dancers. Your kindness, responsibility, and willingness to help create a positive and encouraging environment make a lasting difference in our studio community.

To our parents and families, thank you for the trust you place in us. Thank you for the carpools, costume changes, late-night rehearsals, encouraging words, and endless support. Most importantly, thank you for believing in the value of the arts and allowing us to be part of your child's story. It is an honor we never take for granted.

And finally, to every dancer who takes the stage today: thank you for sharing your gifts, your courage, and your dreams with us. Reverie is a celebration of imagination and possibility—a reminder that dreams can inspire us, challenge us, and ultimately shape who we become. Watching each of you grow throughout this season has been a privilege, and we could not be more proud.

To everyone who plays a role in making TSDPAC such a special place—whether on stage, backstage, or in the audience—please accept our deepest gratitude.

Tonight, we invite you to dream with us, to celebrate the beauty of imagination, and to experience the magic that happens when passion takes flight. Thank you for being part of our Reverie.
