\*The options to the right are add-ons that you can choose to complement the package that you choose. You must choose a package prior to choosing any of the add-on options.

\*For Add-Ons, the photographer will pick the best photo for orientation, etc... unless otherwise specified.

\* In choosing "Ballet/Tap Combo Class" package you will receive double the prints as we will take photos in both ballet and tap, which is a significant savings. You can also choose a single package and specify which discipline you'd like ballet or tap.
