

Drop Off/Pick Up/Safety Procedures-

- Entering the studio

- Be sure to arrive only **5 minutes** prior to your class start time.
 - We have allowed 10-15 minutes between classes for our previous groups to exit, cleaning time in the studio, and check in for the upcoming class.
- Your student will get a temperature check upon entering and a squirt of hand sanitizer. Everyone over 2 years old entering the studio will need to wear a mask.
- We won't be using our waiting area as much this year. Students will be entering the studio and going directly into their studio.
- If needed parents will be allowed in the waiting room for their little ones. You will need to sign-in, go through our check in (temp. check and sanitizer), and sign our COVID waiver.

- While in class

- Students will bring their dance bags into the studio with them and will leave them in dedicated areas. Please be sure to limit their dance bags to include only what is necessary for class.
- Students will be masked for the entirety of class. For longer classes or as needed students will be given a mask/water break in a socially distanced taped off grid square.
- Our studios have been taped off on the floors into a 6'x6' grid for our dancers to dance in. Our goal is to maintain social distancing at all times however some things especially for our older dancers will have students outside of their squares.
- Teachers will be masked as well throughout class. Teachers will only use hands-on instruction when safety is a necessity.
- Our bathrooms will be locked at all times. We will unlock the bathroom for any students that need it. Once empty a member of our staff will go in and clean it and lock the door.

- Exiting the studio

- Please be at the studio **5 minutes** prior to the class end time.
 - Students will be dismissed from their studio with their bags and will be lined up, socially distanced to exit. Parents of Minis and Petites will need to come to the studio door to pick up your student. Juniors and Teens can exit one at a time to their cars and/or parents can come to the door.

- In studio family needs

- If you'd like to talk with your child's teacher please contact the studio via phone, email, or FB messenger and we will schedule a time to talk. The studio will also be communicating more on what's happening in class and how things are going; since we won't see you in the lobby after class.
- You can come in and make payments at the desk. Please be sure to wait until after all our students have exited/entered.
- You can still get shoe fittings, leotards, tights, etc. If you'd like a fitting please contact the studio to schedule a time. If you just need to grab tights or a leotard you can come in just try to avoid when classes are exiting/entering.
- Please let us know if you need anything from us we are always here to help!
