Thanks to everyone who made this show possible!

Our Holiday Show is always such a fun first performance of the year. We love getting into the Holiday Spirit with all of our students and families. This show comes up quick in the year and we are always blown away by our students ability to jump in and take these performances to the next level. They’ve done an incredible job this year and we can’t wait for you to see all that they’ve accomplished in such a short time. It’s just a great building block to our big end of year performance in June! We hope you enjoy this show as much as we do and that it creates a moment for your whole family to share!

Many thanks to our Director, Miss Corinne Schmidt, who pulled so many details together for this show and have worked tirelessly with our team to bring you so much magic on stage! I want to thank our admin team Ashley, Val, and Kim for holding this show together and working so hard to make sure all we see is the magic on stage! Thank you to all our amazing teachers who have created some breathtaking routines for this show and working with our students to have them feel as confident and excited as possible.

I’d also like to thank Mayer Video for filming tonight’s show! Also CCC, you guys are so great and we are so excited to be back!

Thank you to TSDPAC Boosters for all your support! Last but not least, Thank you to all our parents and guardians. We appreciate you and everything you do to support your dancer and the studio! Thank you!

*With Love,
Miss Tiffany*
